PROFESSIONAL SUMMARY

Growth-oriented Digital Marketing enthusiast bridging marketing, analytics, and product execution to drive scalable results. Experienced in performance campaigns, SEO-led organic growth, marketing automation, and cross-functional team leadership across B2B and B2C environments.

EDUCATION

BBA — MMMUT, Gorakhpur | CGPA: 9.02 / 10.0

2023 -2026

INTERNSHIP/WORK EXPERIENCE

Digital Marketing Strategist / Growth Executive

• Zylentrix Jan 2025-present

- Built and scaled company's entire digital presence across **LinkedIn, Instagram, Facebook** and **X** from ground zero; grew LinkedIn from **0** → **22,000+ followers** with 600+ avg. impressions/post.
- Gained practical experience running **Meta Ads** campaigns at **₹15–₹30 CPL** across target segments, contributing to a **~33% conversion rate** (~5 clients/15 qualified leads per month).
- Worked on multi-format content strategy — reels, ad creatives, SEO optimised blogs, carousels, and posters using structured **content calendar**— aligned with campaign and conversion goals; created & supervised **150+ creatives** end-to-end.
- Took initiative to build and scale **Digizign**, an in-house agency unit generating **₹30,000–₹35,000** revenue over a 2-month client cycle; managed a cross-functional team of **5–7** members.
- Implemented **WATI**-based automation workflows to streamline lead handling and reduce manual follow-up.
- Analysed blog and website performance using **Google Search Console** and SEO tools to optimize content, improve keyword rankings, and enhance organic visibility.
- Collaborated with dev teams to align funnels with product execution; delivered a client-facing frontend website using **Bolt.ai** and **VS Code**.

SEO and SMM Analyst

• Numosaic Jul 2024 – Dec 2024

- Executed SEO strategies achieving **first-page rankings** for 3 high-traffic keywords; tracked via **Google Search Console** and **SEO tools**.
- Grew social media followers from **700** → **1,800**; managed **LinkedIn Sales Navigator** outreach building **300+** new connections/month.
- Monitored site performance via **Google Analytics**; UX improvements raised real-time active users from **4** → **80**. Managed **Email** campaigns improving open rates by **15%**.

KEY PROJECTS

GetKit — Modular Digital Product Platform – ongoing - [getkit](#)

- Conducting market research, user validation, and go-to-market positioning; designing conversion-focused landing page copy and funnel strategy aligned with acquisition and product intent.

Experienzhub — Internal Growth Project

- Designed digital acquisition funnel driving **30+ active monthly users**; led end-to-end content planning and campaign calendar aligned with conversion intent.
